To Whom It May Concern:

We have been in business since 2011 doing production and wholesale sales of olive oils and balsamic vinegars, along with associated products. We are this customer's producer of these related products for their retail establishment.

Our FDA Registration Number is 16621652160.

We also have a health department permit from Maricopa County Environmental Services: Permit Number FD-74460. This permit is valid until November 30, 2025.
